Summer Intern - Worship & Communications

The successful candidate will be a devoted follower of Jesus Christ who aligns with Mission City Bible Church. This is a paid internship, and details will be shared in the interview process.

Qualifications:

- Currently enrolled in or considering a post-secondary education program/ministry path
- Pursues a thriving relationship with Jesus Christ
- Considers Mission City to be their home church
- Actively involved in a small group and is serving on a ministry team
- Experience with Photoshop & Illustrator, Keynote, and Mailchimp an asset

Key Responsibilities:

1. Training and Development

- Developing a heart for Sunday worship along with growing skills and knowledge in music directing, musicianship, and more

2. Communications

- Assisting the church in communications needs as required
- Potential for being involved in filming and editing a "God at Work" video project to be shown on a Sunday worship service
- Design graphics for announcements, eNews, website, and social media

3. Worship Administration

- Assist in service planning, chord chart creation, click tracks to prepare worship teams for Sunday

4. Sundays

- Regularly serve on the worship team on Sundays in order to put all learned skills into practice for the glory of God
- *Other duties and responsibilities as required.

Reporting Structure:

- Reports to Josiah Rock (Director of Worship Ministries)
